

BILL NO. G-67-04-23

GENERAL ORDINANCE NO. G- 94-67

AN ORDINANCE establishing rates and charges for the use of and services rendered by the waterworks system of the City of Fort Wayne, and repealing all ordinances or parts of ordinances in conflict therewith.

WHEREAS, the Common Council of the City of Fort Wayne has authorized the making of extensions and additions to the existing waterworks system of said City for the purpose of providing an adequate water supply of desirable quality and at proper pressure to the users of the City's waterworks and properly protecting the health, well-being and property of said City and its inhabitants and water users; and

WHEREAS, in order to procure the necessary funds to pay the cost of construction and installation of said extensions and additions, it is necessary for the City to issue and sell waterworks revenue bonds payable solely out of the revenues of said waterworks system, which revenues under the existing schedule of rates and charges are insufficient to enable the City to finance the needed extensions and additions; and
